

## Medical Director London or Winnipeg

**\*Given the size and scope of our organization, we have the flexibility for this position to be located in the following head office locations: London or Winnipeg\***

Eager to step away from the routine of daily medical practice, grow as a physician and achieve a healthy balance in your career? Join a leading Canadian insurer to build on your medical training, experience and case management skills outside of a clinic setting.

In our organization, the Medical Director not only reviews rare and unusual cases, but also common cases with uncommon presentations. You can expect to review medical files crossing the spectrums of medical specialties across Canada and the world and have opportunities to research unfamiliar diseases and treatments. As the Medical Director, you'll enhance your knowledge of medicine by seeing how practitioners across the country treat common conditions.

As a member of the Medical Board in London or Winnipeg you'll work closely with the underwriting and claims departments of our individual insurance business. **In this role you will make determinations that will influence cases in life insurance, disability insurance and critical illness insurance.** Occasionally, you will be called upon to act as a medical resource for our Occupational Health Services department.

You'll work alongside other experienced physicians in a collegial environment, learning and growing in the specialized and fascinating field of insurance medicine. This salaried position features some flexibility in work hours, paid vacation and a benefits and pension package, including a performance-based bonus program.
